CIBA Post-Ride Report

Whether or not we attend a ride, it's always fun to read about the ride in the next edition of ***CIBANEWS***! Take a few minutes right away, while everything is fresh in your mind, to write a couple of short paragraphs about the ride. Be sure to recognize your SAG workers and mentors. Tell something about your ride - anything that might be unique or interesting that happened. Where did the ride go? Were there any interesting sights or landmarks along the way? any unique SAG treats? any breakdowns or accidents? This is your opportunity to brag about the ride you just put on - ***be creative!!***

Please e-mail your report to the CIBANEWS Editor mailto:ciba.editor@comcast.net
