# Annual Fundraising Campaign

*Making bicycling safe and enjoyable for everyone!*

The CIBA Foundation, through its grant program, strives to provide financial and other resources to partner organizations that support its goal of promoting the benefits of safe bicycling to the community. The Foundation annually gives in excess of \$30,000 to recipients throughout Indiana.

The CIBA Foundation is the charitable arm of the Central Indiana Bicycling Association, and since its inception, it has disbursed more than \$487,669 in 321 different grants to a broad spectrum of cycling-related projects and activities.

The Foundation receives donations from the entry fees of the Hilly Hundred and NITE Ride, as well as from individuals and businesses that support its mission.

**Our Annual Campaign will:**

- 1) Allow us to fund 100% of vetted grant proposals.
- 2) Provide concerned donors with a way to know their dollars are effectively used to promote safe bicycling.

It is our hope you will consider making a gift to the Foundation so it can continue to help organizations working to promote the benefits of safe bicycling.
